CFD trading is a method that enables individuals to trade and invest in an asset by engaging in a contract between themselves and a broker, instead of acquiring the asset directly. The trader and the broker agree between themselves to replicate market conditions and settle the difference between themselves when the position closes.

We've changed our name from Dominion Web Solutions to become Trader Interactive. This change was a decision to leverage the strength of the trader brand while reflecting the company's focus on online interactions in both the business to consumer and business to business marketplace.
