Note that you may need to verify your account if you haven't done it yet. You'd have to verify your ID, phone number and address.

A trading similar is essentially a copy of the stock market on a virtual trading platform. These virtual platforms provide market data like you would generally see in your active trading account. But there's one big difference. In your active trading account, your trades are made using your money. So, when you lose, you lose real money.
