Bittrex was founded in 2014 by three cybersecurity engineers. Our goal is to operate a world-class crypto exchange with a focus on trust. With lightning-fast trades, dependable digital wallets and industry-leading security, we've created an exchange our customers can count on.

Sometimes it's useful to scan entire crypto markets for outliers. That is, simultaneously track every coin on an exchange for a percent change price movement. This can help find coins that are breaking out of trends relative to the market as a whole. Our percent change alert has a special option for this purpose: Any Coin.
