Binance is thought to be the best cryptocurrency exchange platform in the industry. However, if you are someone who is a little bit inexperienced when it comes to the cryptocurrency trading industry, you're probably going to want to make the most of a bot. The good news is that there are plenty of finance bots floating around out there right now, which you can capitalize on, and leverage your trading strategies effortlessly.

What you need first, though, is a cryptocurrency wallet that acts in a similar way to a traditional online bank account. Except, it doesn't store your crypto money but keeps a record of your transactions. Use this guide to show you step by step how to create a cryptocurrency wallet and which platforms are the best ones to use.
