A Beginner's Guide to Online Stock Trading

As the dip continuous and fear gets the better of you, it's important to find an exchange you trust. Platforms don't always serve the best interest of the customer. Rather than being a neutral party to transactions, like a stock exchange, a crypto platform can trade against customers, meaning clients are at risk of being treated unfairly.

The easiest and most common approach for beginning investors to get exposure to stocks is through the stock market. Investing in stocks is simply purchasing small shares of ownership in a publicly-traded company. By investing in these modest shares, you're hoping that the firm will grow and prosper in the long run, which is the aim.
