Your long-term crypto investment involves maintaining it for a period based on your investing goals. Typically, long-term investors hold their investments for several years or decades to grow their returns. So, if you believe blockchain-based technology will explode in the future, investing in crypto for the long term can be a great option.

A project coin with terrible code can go up in price, and a project with good code and a good team can also go down in price. Do NOT use our ratings to refer to your likelihood in making money if you invest in the project. They are ONLY in reference to code safety. Everything else beyond code safety is YOUR responsibility to go do research on.
