coinbase is one of the worst exchanges i have come across, but unfortunately its the largest in this space, everyone should shun this exchange and jump on to others than this will teach coinbase a lesson that they cannot monopolise, I lost all my crypto while transferring from another exchange but used different blockchain which is not supported by coinbase, but i had no help to resolve this .

These huge exchanges have allowed many naive investors and less tech savvy investors invest into the cryptocurrency market like never before. I can appreciate that. Any investor can. Its not a perfect system, but its also a relatively NEW system. Banks have been around for a very long time.
