A business account with Pro limits is designed for those who would like to trade for business purposes or on behalf of a business entity. If you would like to fund your Kraken account from your business bank account, then a business account could be right for you.

When Bancor launched the first-ever DeFi liquidity pool in 2017, the project's founders saw a tragic flaw in their invention: That when a token rises in price, investors are prone to lose money, fast. The issue, known as impermanent loss, costs users billions in crypto gains each year.

The service offers institutional-grade crypto-centric accounting, reconciliation, and reporting services that cater to industry hedge funds, asset managers, and other firms with digital asset holdings in the space. At that point the company was also voted best exchange by bitcoin redditors. With the highest available API and funding limits, priority on-boarding and access to Kraken's complimentary Account Management service, our institutional accounts are great for: Investment Banks, Brokers.

Under the Terms of Service, the institution you represent is required to provide accurate and truthful information and promptly update its Kraken Account information. If you certify on behalf of your institution that the institution is an ECP and your institution's status changes, the institution must notify Kraken promptly.
