With eToro's CopyTrader, you can automatically copy top-performing traders, instantly replicating their trading in your own portfolio. Get Started Top traders work for you without management fees Sign up for eToro and start copying other traders at no extra charge. There are no management fees or other hidden costs involved.

The goal of copy trading, like regular trading is to open positions on various financial markets including FX, CFDs on Stocks, Commodities, Indices and Cryptocurrencies, and then to close the position, hopefully once the value of the asset has moved higher. Although, much like trading for yourself, here you can also incur losses too.
