Binance is known as a safe and reliable exchange which is of course very important for its users. You want your money and investments to be safe. Binance is constantly working on security to protect its users. They work with an AI security system and use separate security departments that guards the exchange against cyber criminals.

All I have to do is refresh the screen. This morning when I started a live chat, hoping to report the problem again, the wait time for a live chat rep was 60-65 minutes. I may be naive, but someone should start a movement among retail traders for some minimum standards for customer service and platform uptime.
