

RKSV Securities changed the brand name of its trading platform to Upstox in 2016. Upstox has raised Series A funding from many investors such as Kalaari Capital and Ratan Tata. Upstox raised \$25 million in its second round of institutional funding from Tiger Global Management in 2019. Upstox . Upstox is a trading platform from RKSV.

Our OKCoin review has found that while OKCoin has not been hacked, OKEx was hacked when they were still owned by OKCoin in 2017. Otherwise there have been no security issues with OKCoin. That said, their security standards are much in line with the rest of the industry.

As a business we don't give stock tips, and have not authorized anyone to trade on behalf of others. If you find anyone claiming to be part of RKSV and offering such services, please send us an email to complaints@upstox.com and complaints.mcx@upstox.com. No need to issue cheques by investors while subscribing to IPO.
