When you create an order on Coinbase Pro, we check your buying power before the order is created. Once Margin Trading becomes unavailable, your buying power decreases and we thus might not be able to execute any orders that were already created. Will I still have access to reporting for Margin trades? You can access your previous trades (including Margin trades) via the Orders or Statements sections of your account.

A decentralized exchange is a cryptocurrency exchange where you can trade cryptocurrencies from your own wallet without trusting third parties. Decentralized exchanges are powered by smart contracts which allow users to trade cryptocurrencies directly with other users or through liquidity pools. Decentralized exchanges are non-custodial exchanges and based on smart contracts, so there is no need to trust a third party with your funds.
