Decentralized exchange or DEX is a cryptocurrency exchange market or platform that operates independently without any central authority or third-party intervention for holding or transfer of customers funds. Peer to peer or P2P transactions occur between interested parties directly through an exchange of crypto assets or cryptocurrencies. All these transactions take place through a decentralized escrow account and smart contracts.

When you create an order on Coinbase Pro, we check your buying power before the order is created. Once Margin Trading becomes unavailable, your buying power decreases and we thus might not be able to execute any orders that were already created. Will I still have access to reporting for Margin trades? You can access your previous trades (including Margin trades) via the Orders or Statements sections of your account.
