What began as NOIA, an ambitious effort from a small group of eager individuals, eventually evolved into something much larger: Syntropy. Our efforts no longer represent a single project or application. This is a global movement to change the internet for the better. The Syntropy ecosystem is developed and managed by open-source developers from .

All things considered, bitcoin has had a pretty good year. The digital currency is up nearly 70% since the start of 2021, driving the entire crypto market to a combined \$2 trillion in value.
