Binance Review 2022: The best Exchange for Cryptos?

Pioneered in the crypto asset management space, Bitwise created one of the worlds first cryptocurrency index funds called Bitwise 10 Private Index Fund. With a well-diversified exposure, this fund tracks the 10 largest cryptocurrencies weighted by 5-year diluted market capitalization, and the rebalancing of the fund happens every month.

Binance is the best exchange that I have found so far, easy to use, low fees and lots of great opportunities to earn extra staking and trading. They have a huge amount of crypto currencies on offer too. Unfortunately because of regulations you are unable to cash out into your bank account. I can't wait for them to sort this issue out.

Binance is the worlds well-known cryptocurrency exchange located on the European island, Malta. Founded in 2018, Binance undergoes a every day trading quantity of more than 2 Billion US Dollars on common. Aiming to bring monetary freedom to the world, its just not an exchange but an entire ecosystem.

Go to <https://pancakeswap.finance/>. This should automatically trigger the MetaMask connection. Click on next & connect on the MetaMask notification window, and you should see your address at.
