An option you purchase is a contract that gives you certain rights. Depending on the option, you get the right to buy or the right to sell a stock, exchange-traded fund (ETF), or other type of investment for a specific price during a specific period of time. Investors and traders use options for a few different reasons. Bitfinex is in crisis, Binance is developing, XRP and 2020 .

Options are a form of leverage, offering magnified returns. An option gives an investor time to see how things play out. An option protects investors from downside risk by locking in the price.
