Coinbase lied to me when saying they got request from me but they could not to prove it so far. For your information: if someone is stealing your money, he will never send any request because to get approval he must verify his location, 2FA phone, send a link for a LinkedIn account, send a Bank Statement and it takes about 2-4 days. I asked Coinbase send me all verifications for that request, but they could not provide me with any.

The main difference between MT4 vs MT5 for this point of comparison is that MT4 has fewer technical indicators built in to the platform. However, it has a larger library of third party plug-ins than MT5 does. This is probably because MT4 has been around for longer and still has a larger community of traders using it.

The easiest and most common approach for beginning investors to get exposure to stocks is through the stock market. Investing in stocks is simply purchasing small shares of ownership in a publicly-traded company. By investing in these modest shares, you're hoping that the firm will grow and prosper in the long run, which is the aim.
