Coinbase lied to me when saying they got request from me but they could not to prove it so far. For your

information: if someone is stealing your money, he will never send any request because to get approval he must verify his location, 2FA phone, send a link for a LinkedIn account, send a Bank Statement and it takes about 2-4 days. I asked Coinbase send me all verifications for that request, but they could not provide me with any.

Coinbase is stealing money !! : Coinbase

The crypto bot can accomplish this by either: 1. Sending trade signals to the user 2. Executing buy or sell orders automatically. In the first instance, users would be notified the moment certain market conditions are met, at which time they could execute a trade manually. This might be a simpler version of a bitcoin trading bot.
