Coinbase lied to me when saying they got request from me but they could not to prove it so far. For your information: if someone is stealing your money, he will never send any request because to get approval he must verify his location, 2FA phone, send a link for a LinkedIn account, send a Bank Statement and it takes about 2-4 days. I asked Coinbase send me all verifications for that request, but they could not provide me with any.

What should I do when Coinbase lost my money in my accounts .

Answered Nov 19, 2021. Your funds go into escheatment when the owner has made no contact or activity generated for a period of time designated by state law, typically 3-5 years. At this point, they are considered unclaimed or abandoned property. For more information you can request a callback from Coinbase.
