Sorry for the basic question but I recently invested in crv on crypto.com exchange. I would like to stake my holding but cannot do so through crypto.com. Do I need to transfer to something like metamask and then link the metamask wallet to the curve website? If so are there any ways to avoid the exchange fees? Is there another way of doing this?

Coinbase lied to me when saying they got request from me but they could not to prove it so far. For your information: if someone is stealing your money, he will never send any request because to get approval he must verify his location, 2FA phone, send a link for a LinkedIn account, send a Bank Statement and it takes about 2-4 days. I asked Coinbase send me all verifications for that request, but they could not provide me with any.
