

Coinbase Pro is the rebranded version of what used to be GDAX. You can still use it as a wallet or for trading purposes, so there are very few differences between the two platforms other than their branding and user interface. The one main difference I see is that Coinbase Pro offers 3x margin trading while Coinbase does not.

The Corporate Account Verification process is used for business accounts and not for personal use. Additionally, you will not be able to merge a Corporate account into an already existing Personal account. 1. Log into your account and visit the Settings tab. 2. Click the Verify button to the right of the Corporate Account window:
