Options trading can be a great way to grow your income, limit your risk and hedge against market fluctuations at the same time, says Stephen Callahan, vice president of client services at.

An option you purchase is a contract that gives you certain rights. Depending on the option, you get the right to buy or the right to sell a stock, exchange-traded fund (ETF), or other type of investment for a specific price during a specific period of time. Investors and traders use options for a few different reasons.

You can find others listed on our crypto exchanges page. The CXC public chain aims to integrate bottom-level cross-chains, PoA mining, atomic trading, a deflationary economic model, cloud storage, and anonymous social networking.
