BitBase aims to tokenize its service. The process of tokenizing an asset and further managing it on an app opens up new opportunities as it faces subsequent challenges to its adoption. The new tokenization method allows the issuer to open up innovative methods and promote widespread adoption of investments in this industry.

As for how to actually use Coinbase Earn, head to the Earn dashboard or click on the Learn and earn button on the left side of the Coinbase website. From here you'll be able to take short lessons on crypto projects, simply press the Start lesson button on whichever project piques your interest first.
