Reddit and the WallStreetBet subreddit has become a very hot topic on the capital market from the beginning of 2021. The discussions on these forums show the potential to influence the stock market. My project is to build a model to forecast the market movement based on the rich text data from Reddit.

Apollo Fintech (GSX) Gold Secured Currency is the first stable coin that increases in asset value indefinitely. GSX gives its owners the benefits of having a minimum asset value, like a stable coin, while also facilitating growth in value like traditional cryptocurrencies, all on top of offering dividends to its holders.

Coinbase lied to me when saying they got request from me but they could not to prove it so far. For your information: if someone is stealing your money, he will never send any request because to get approval he must verify his location, 2FA phone, send a link for a LinkedIn account, send a Bank Statement and it takes about 2-4 days. I asked Coinbase send me all verifications for that request, but they could not provide me with any.
