MY experience with UFX is much the same as most of the reviewers here. 95% of the brokers I was allocated to spent most of their time telling me the only way to make money was to continue to increase the amount in your account. They suggested I mortgaged my house, borrowed from my family or used my credit card.

Online exchanges differ from cryptocurrency exchanges in that they solely focus on converting crypto to fiat, and charge a pretty high markup for the service. Exchange commissions usually vary from 4% to 7%. Its best to select an exchange that has established a reputation of over a minimum of two to three years of good work in the market.
