Follow the step-by-step manner to verify your Binance account. Step1 (Verification Process) Log in to your account on the website, and direct to the users account option. The option will be top right on your navigation bar. Under the users account option, the second option will be verification. Click on it.

Anyone else also got problems with facial verification? I have been trying lots of times for a few days already and it kept saying that verification failed for some reason. Update (30th November): Binance escalated my ticket and asked me to send them a video of my face and ID for verification purpose.

Coinbase Pro uses a maker-taker fee model for determining its trading fees. Orders that provide liquidity (maker orders) are charged different fees than orders that take liquidity (taker orders). Fees are calculated based on the current pricing tier you are in when the order is placed, and not on the tier you would be in after a trade is .
