A crypto savings account may be advertised as having a 12% APY, but that high of a return requires you to receive 2% in the platform's native coin. Or you might need to hold a specific number of the native coin before you're eligible for the highest APY. Interest payments too depend on the crypto savings account or platform you use.

You can only link your PayPal account to one Coinbase account at a time. To add a different PayPal account, you must first unlink your previous one on file. For US customers, you'll need to have a valid payment method (like a bank account or debit card) linked to your PayPal account to buy cryptocurrency, or add cash through your PayPal account. Prepaid cards, business cards, and credit cards linked to your PayPal account are not currently supported by Coinbase.
