A crypto savings account may be advertised as having a 12% APY, but that high of a return requires you to receive 2% in the platform's native coin. Or you might need to hold a specific number of the native coin before you're eligible for the highest APY. Interest payments too depend on the crypto savings account or platform you use.

CryptoVantage Conclusion: Binance for International, Coinbase Pro for USA. Binance and Coinbase Pro are both great options for traders, but there is a clear difference in both availability of crypto assets and fees that makes Binance a better option between the two exchanges. However, since Binance is not available for US citizens (you have to use Binance US, which has less crypto options but the same fees), Coinbase Pro is the better option for US users as It has more crypto assets than .
