In order to connect your bot to Coinbase Pro, you need an API key. Think of an API key as a bridge between Cryptohopper and the exchange, which allows your bot to do things like place automated orders and read your balance for its calculations. Step one. Go to the exchange website, and create an account if you haven't already. Step two. After you have logged in successfully, click on your name in the top right corner, and click "API";

To change your currency on Binance, you need to log in to your account first. Then, click on USD on the right-hand corner of the website. After you've clicked on USD, a pop-up box will open.
