If there is a huge fall in price of the cryptocurrency in question, then that too might be a good time to buy Bitcoin because you can buy it at a low price. If you have already decided to invest in cryptocurrencies, then it might be a good idea to start by investing in Bitcoin.

Crypto exchange business is regulated to some extent in most of the EU countries due to AML 5th directive, which means that eventually it will be regulated in all countries. When setting up, make sure you are informed about the regime in your jurisdiction as no one will open an account for a regulated business without a license.

But a better way to gain exposure to the sector is to invest in companies -- even bigger, more established companies -- that benefit from blockchain and crypto asset uptake.

The choice of jurisdiction to start a crypto exchange determines the laws and trends, which include taxation, accounting, and business management. In different regions, the regulation conditions can vary greatly, from a clear set of regulations to the prohibition or complete lack of regulation.
