1. Sign in to your Coinbase account using your email address and password. 2. When prompted for your 2-step verification code, select I need help > I cant access my authenticator app anymore. 4. Follow the rest of the instructions to complete the process (a government-issued ID is required for completion).

When it comes to trading leveraged financial products, you have to be able to trust the forex broker. It is not uncommon for large sums of money to be used to generate a large profit. For example, brokers in Europe must have regulations or licenses if they want to offer their services. The regulation can be in any European country.
