Answer (1 of 6): Incoming transactions show up in your account almost instantly within a few seconds but will show as Pending until there have been enough network confirmations. The number of confirmations needed is based on the digital currency. To see the number of confirmations needed for a s.

While there are other ways to purchase crypto, many people acquire crypto on cryptocurrency exchanges. Upon making a purchase, the cryptocurrency you acquired is automatically stored in your exchange-hosted wallet, which is typically custodial, meaning the exchange has control of your private keys. By holding your keys for you, crypto exchanges give you easier access to your funds via a more familiar username and password configuration, which allows you to trade seamlessly on the exchange.
