Trader Interactive is the leading online classifieds marketplace and marketing software solutions provider to

commercial and recreational dealers. Our mission to bring buyers and sellers together remains the core of our businesses.

Such glitches should not be present in any system. Of course, Coinbase have so many customers they only need to scam a small proportion to make easy money. So signing up to Coinbase is a gamble, chances are you will be ok but for, say 1% of customers, your account will be chosen to be emptied and you can kiss you fiat and crypto goodbye!

Weve changed our name from Dominion Web Solutions to become Trader Interactive. This change was a decision to leverage the strength of the trader brand while reflecting the companys focus on online interactions in both the business to consumer and business to business marketplace.
