ProRealTime does not offer a mobile trading app and is best suited for Windows Desktop use. ProRealTime is available for free but also has a premium subscription available. ProRealTime offers integration with Top Forex Brokers such as IG and Interactive Brokers respectively.

KYC stands for K now Y our C ustomer. If you participate in cryptocurrencies as a money service business you must know, and comply with KYC. For example, if you are thinking about starting a.

Crypto trading is, for many, a very emotional experience. The wild price moves can trigger a range of strong emotions. As extreme signals are easier to read, this could make existing AI models more suited to the crypto markets. This is something to hold in mind if you look to extract your crypto AI skills and apply them to other, more subdued markets.

KYC-collecting exchanges are honeypots for hackers to steal personal identification from its customers. According to the blockchain analysis firm Chainalysis, exchanges faced more successful attacks in 2019 than in any other year since 2011. Your identification documents are often very valuable to people who commit identity fraud.
