Binance is designed for buying Cryptocurrencies. When you open an account, basically you are opening a wallet with the cryptocurrencies that you bought. The interesting thing about Binance is that you really own what you are buying, different from other Trading platforms where you are just trading the price of the asset in your portfolio.

We are determined to create a successful crypto project and support it with the massive Satoshi Street Bets community. We will establish the standard of how a cryptocurrency and community should operate.
