Candlestick charts are a major part of reading crypto charts. Every candle has a main body in either of the colors. You can also see single lines protruding from above and below the main body, called shadows. The body shows the opening and closing prices, and the shadows depict how high or low these starting and closing prices have risen or fallen.

Helium HNT - export your crypto rewards for free. INFO: The Helium API often undergoes changes these days - the code may thus break all of a sudden. We try to cope with it as best as we can. Right now, the API provider uses weight limits that we have to obey. Hence your request may take longer than usual, however, it will be completed eventually.
