Updated on 18 June 2021. Liquid has off-boarded US residents from Liquid, meaning that US residents are now restricted from the exchange and all of our services. This includes an individual who is a resident of, or a corporate user that is established, incorporated or domiciled in the US. We sincerely regret that we are unable to serve US residents at this time and we would like to thank you for your support of Liquid over the years.

Liquid is an online cryptocurrency exchange where you can trade a wide range of fiat/crypto and crypto/crypto currency pairs. Its innovative order book, called the World Book, combines a global network of liquidity sources in order to provide access to a higher level of liquidity and better price matching. The site also offers Liquid Margin, where you can trade with up to 25x leverage, and has its own utility token known as QASH.

You may obtain access to such products and services on the Liquid App. Please note that the availability of the products and services on the Liquid App is subject to jurisdictional limitations.
