For Ether, particularly, users often said that they got done within 5-10 of even 20 minutes. To be on the safe side, you can take that time to be around half an hour. Therefore depending on the speed of cryptocurrencies in general, you can estimate how long it will take to make that transfer.

RoboForex demo accounts are different from real ones in that you don't need to deposit any real money for investing on them. In all other aspects, demo accounts are fully identical to RoboForex real accounts. This is why using a demo account is one of the most powerful ways to test your investment strategies or EAs in real market conditions.
