For the first time investors are able to make direct investments in income producing farmland. Crowdfunding allows investors to see the details of the farm theyre investing in. View expected returns and manage your exposure while helping individual farmers feed the world. PROS & CONS While REITs offer liquidity thats where their benefits stop.

Sending funds to the Binance Network (BSC) Binance has written a support article specifically to help you out with this. Keep in mind that MetaMask simply allows you to access the Binance network, and has nothing to do with how tokens work, or get transferred onto or off of BSC. For this reason, we encourage you to consult directly with Binance .
