So, in this context, Storj is worth buying. Is Storj a good investment? Storj is, just like all other cryptocurrencies, a risky investment. It does have higher probability of going up than down because of the good use case, well-designed tokenomics, active community and a solid team behind it. How much will Storj be worth? For the short-term future, it could reach \$1.86.

Storj. Is a decentralized cloud storage provider that allows for total protection of your private data. The network is distributed and all files are end to end encrypted. Unlike a centralized provider like the one you would get when using Google, your files are yours alone. Their pricing is also more attractive and very transparent.
