Another way to buy and sell digital currencies is by going through a Broker, it is however the Broker that determines the exchange rate and as such you are going to be best advised to shop around to ensure the one you choose is offering you the best exchange rate, no matter whether you are buying or selling a digital currency.

Digital currency exchanges can be confusing if offered in the form of a clunky user interface with a flood of poorly presented information. Apart from a well-designed user interface, crypto exchange reviews often reflect the value of having good mobile apps and wallet apps on your chosen platform.
