For the first time investors are able to make direct investments in income producing farmland. Crowdfunding allows investors to see the details of the farm they're investing in. View expected returns and manage your exposure while helping individual farmers feed the world. PROS & CONS While REITs offer liquidity that's where their benefits stop.

Sign In - Coinbase

Farmland is an asset class you can actually see and touch a world apart from traditional investment vehicles. Crowdfunding for farmland allows investors to take a hands-off position on farmland, allowing them to enjoy returns without having to become directly involved in operations. Nonetheless, the model has its limitations.

Getting access to free stock charts is great, but theres another tool that can really help you in your trading, thats stock screeners. With screeners, you can enhance your watchlists and narrow down on stocks with very specific characteristics. Finviz excels with its free Stock Screener, mainly on US stocks. The filter options are amazing, you can screen stocks by literally every available criteria (from detailed financial ratios, technical analysis patterns, etc).

Trading websites can help you find trades and track them, and many of them wont cost you a dime. Some free trading websites offer both real-time and delayed data, so you can watch the market as it's moving.
