Coinbase Ventures has a core early-stage investment practice with investments from \$100,000 on the low end up to \$3 million. Its intent is to be part of the first institutional round. We want to see more company formation, because we think that more companies in the space, experimenting with various business models on these crypto protocols, is going to accelerate innovation overall, Aggarwal said.

In August 2017, Coinbase closed a \$100 million Series D funding round that put the company's valuation at \$1.6 billion. Private companies are often valued based on the amount of funding they.
