Binance commands a huge share of the crypto exchange market, boasting nearly 8 million users and counting. The site is so popular, it previously had to temporarily halt its acceptance of new users so it could update its infrastructure to accommodate the surge in traffic. Because the site's visitors continue to increase in number, you may want to have another exchange up your sleeve in case of another temporary ban in new users.

People invest in stocks because those are actual businesses making actual money that they actually give out to their shareholders. And even those are considered incredibly risky investments. Right now in crypto, if you've only been playing the game for a couple of months, you've only known winning.
