Instant Swap stands for crypto exchanges that allow customers to instantly swap Bitcoin and other cryptocurrencies in such a way no human interaction is needed. These services often do not require account creation, and they have a large variety of coins to choose from. Alternatively, they may also allow instant purchases of various cryptos. Rank

Because I call TD Ameritrade today and asked them about algo trading and if they still support it and I could tell I was talking to a seasoned service person and even they had to ask around lol. With the new zero commissions it is very tempting to knock the dust off a few off my Ninja algos that took high frequency trades but were not viable .
