Basically, there aren't any cryptocurrency exchanges with no commission fees at all. Crypto exchanges may charge fees for different actions like depositing/withdrawing, etc. We've gathered the most common types of commission fees. Some giant centralized crypto exchanges like Binance, Huobi, and others have their native tokens.

Crypto exchange business is regulated to some extent in most of the EU countries due to AML 5th directive, which means that eventually it will be regulated in all countries. When setting up, make sure you are informed

about the regime in your jurisdiction as no one will open an account for a regulated business without a license.
