Your long-term crypto investment involves maintaining it for a period based on your investing goals. Typically, long-term investors hold their investments for several years or decades to grow their returns. So, if you believe blockchain-based technology will explode in the future, investing in crypto for the long term can be a great option.

Trading 212 - Chrome Web Store

OTC, however, has been around for quite some time and draws its roots from some of the first store-based exchange of goods. It refers more specifically to the easy access part than anything else. The crypto markets are evolving, and big and small players alike are looking for the best ways to get involved.
