The Coinbase user called a number associated with the notification. An unknown individual answered the call and changed the users account, allowing much of the money to be transferred out of their account. Cryptocurrency scams remain a potential issue for investors.

The Bee Network is a cryptocurrency or token that you can earn using your phone. It sounds simple and, with digital currencies being more popular than ever at the moment, it could have huge potential. There are now over 8 million people mining it on their mobile devices! But if youre wondering if the Bee Network is legit, youre not alone.

Fraudsters set up scam customer support phone lines and impersonate a variety of companies including Coinbase in the finance, tech, retail, telecom, and service industries. These scam phone numbers are spammed on the internet, luring unsuspecting victims seeking assistance. The scammers may also conduct outbound calls directly to potential victims.
