IMO, kraken is the best exchange. It's the mix of many factors: They don't have as many altcoins as Binance but still many, they offer staking for some coins (although not many and not the best rates), they are a registered company in a country with a solid legal system and with real offices and known people (unfortunately that means you need to do their terrible KYC process), you can buy .

Download Custom indicators in MT4 Chart and installation Free. MT4 custom indicators is the term in which you work like a human being not such like a machine or software. It means that you need to work on the eyes basis and do not be shy as there are many automatic software present in the market but we do not have to use them as we are talking about the word Custom.
