The SEC intends to sue Coinbase if it releases its crypto lending product, the exchange said Wednesday. CEO Brian Armstrong complained about the SEC's "sketchy behavior" in a rundown of events on Twitter. Armstrong said the regulator was the only agency that refused to meet with him earlier this year.

Coinbase's phone number for customer service is +1 888 908-7930 for the US and all other countries. If you're living in the UK, you can talk to customer service by dialing 080 168 4635. If you're living in Ireland, you can talk to customer service by dialing 1800 200 355.

Coinbase+stock+on+robinhood News

The cryptocurrency exchange and services firm received a Wells notice from the SEC last Wednesday saying the regulator intends to sue Coinbase over the product, called Coinbase Lend, the company.

Description. 5paisa mobile app is one of the best stock market trading apps in India, that suits both beginners and traders. It's a free and easy to use trading app. With the app, you can now get live updates from NSE, BSE and MCX markets, access world-class charting tools with advance studies, analyse stock market trends, and trade on-the-go.

Coinbase has insisted that Lend would not be an investment contract subject to investor-protection laws. If we end up in court we may finally get the regulatory clarity the SEC refuses to provide, Coinbase CEO Brian Armstrong said on Sept. 7 in a Twitter thread. But regulation by litigation should be the last resort for the SEC, not the first.
